

**21 - 23 OCTOBER 2026**

**Advancing Sustainable Nanotechnology for Societal Impact**

Boardwalk ICC, Gqeberha, Eastern Cape Province

## SPONSORSHIP PROSPECTUS

We are excited to announce the **10th International Conference on Nanoscience and Nanotechnology in Africa**, to be held in October in Gqeberha, South Africa. The theme of the conference is “Advancing Sustainable Nanotechnology for Societal Impact” and will be hosted by the Department of Chemistry of the Nelson Mandela University.

The conference aims to promote research in the field of nanoscience/nanotechnology that benefits society and transforms knowledge for the sustainable development of Africa. NanoAfrica 2026 also seeks to facilitate the exchange of new ideas and implementation in various fields among academics, engineers, scientists, and industrial personnel. It will give both emerging and established researchers a platform to present their work.

The organisers of this conference would like to invite your company to become involved with this international conference, where about 150 delegates are expected.

## EXPLANATION OF SPONSORSHIP BENEFITS

### **Logo and URL on Conference website**

Your company logo will be displayed on the Conference website, linked to your website. The logo will also be displayed in the Programme and Abstract eBook.

### **Banners**

Promotional banners of your company can be displayed inside or outside the venue depending on the type of sponsorship.

### **Advert projection in lecture halls**

A slideshow of all sponsors eligible for this benefit will be run in the lecture hall before the sessions start, as well as during breaks.

### **Free registration**

Depending on the size of the sponsorship, a certain number of free registrations will be granted. Please note this only covers the registration fees. Accommodation, transport and meals are not covered.

### **Exhibition space**

Due to space limitations, only tabletop exhibition space is offered. The exhibition space of around 2 x 2 m<sup>2</sup> will include a table and two chairs, but no shell structure.

### **Registration items**

Sponsoring conference bags, name tags, lanyards, notebooks, pens, etc. The bags must be co-branded with the name and logo of the conference. These items can be supplied by your company, or the conference secretary could assist in sourcing suitable items.

### **Sponsored items**

Please contact the conference secretary to arrange for the delivery of sponsored items and flyers. Deadline for delivery: 10 October 2024.
